SUBJECT: END OF SEMESTER ONLINE COURSE EVALUATION EXERCISE.

This is to inform you that the University has implemented a new online platform for the end of semester course evaluation exercise. The exercise has transitioned from manual to an online platform, and now addresses various course delivery aspects.

All students are required to participate in the course evaluation exercise for a continuous enhancement of the quality of our academic programmes. The feedback received will significantly contribute in the continuous improvement of our academic standards and in shaping the future of students' educational experience.

The evaluation form is accessible from <https://portal.mut.ac.ke/>; and a click on "EVALUATION", from where the students can proceed to evaluate each of the unit taken in the September - December, 2023 semester.
