INTERNAL MEMO

FROM: STUDENTS ELECTORAL COMMISSION

DATE: 2ND FEBRUARY 2026

TO: ALL STUDENTS

REF: MUT/SEC/015/2026

**SUBJECT: ILLEGAL CAMPAIGNS AND TRIBAL ALIGNMENTS/ASSOCIATIONS BY THE
POLITICAL PARTIES**

It has come to the notice of the Students Electoral Commission (SEC) that comrades have begun to campaign before getting official communication from the commission on the same. Secondly, we have noticed with concern that these early campaigns have brought tribal alignments into play. We as SEC wish to state as follows:

1. That campaign period has not been declared.
2. Tribal alignments are unlawful and unconstitutional and not allowed.
3. That MUT has always embraced the spirit of National Cohesion and Integration and not the contrary.
4. That anybody found doing the contrary to the above will face **disciplinary measures** which will include and not limited to **disqualification from the MUTSO elections process**.
5. That SEC Commission is the only source of communication on matters MUTSO elections and that any communication not given by the SEC is illegitimate as the role of organizing the elections solely and constitutionally rests in the commission.
6. Security arm is on watch over illegal gatherings/campaigns that have not been approved by SEC.
