SUBJECT: END OF SEMESTER ONLINE COURSE EVALUATION EXERCISE

The academic division reminds all students that they are expected to participate in the end-of-semester course/lecturer evaluation exercise. As per the university's procedures, the evaluation is conducted online through the MUT student portal.

The exercise will take place from Monday, 30th March to Thursday, 2nd April 2026, and all students are required to rate various course delivery aspects in all the units taken during the January- April 2026 semester. The online form is accessible from <https://portal.mut.ac.ke> and a click on EVALUATION. The student will then proceed to evaluate each unit taken in 2025/26 Semester two (2).

The feedback received will significantly contribute to the continuous improvement of our teaching quality, academic standards, and the future of students' learning experience, and all students are encouraged to fully participate.
