## **NOTICE TO ALL STUDENTS**

### **RE: FEE CLEARANCE REQUIREMENT FOR INDUSTRIAL ATTACHMENT, TEACHING PRACTICE, AND PRACTICUM**

The University Senate wishes to inform all students that Teaching Practice/Practicum and Industrial Attachment will commence on 27<sup>th</sup> April, 2026 and 1<sup>st</sup> May, 2026, respectively. However, no student will be permitted to proceed to any field placement unless they have fully cleared the household component of their fees, in accordance with the University's Financial Regulations and Academic Policy.

Students who fail to clear their fee arrears will not be approved for field placement and may be required to defer their attachment, teaching practice, or practicum to the next available session. The University will not make any exceptions to this policy.

Upon payment, students are required to present their fee clearance receipt to their respective Chairperson of the Department in order to be officially registered and cleared for field placement.

The University wishes all students a productive and enriching field experience. Your cooperation in complying with this requirement is greatly appreciated.

Thanks.
